## CENTER INFORMATION

### **Scope of Services**

Health care professionals at Capital Children's provide dentistry and anesthesia services.

### **Credentials of Health Care Professionals**

**Dental Providers:** All dental providers privileged and credentialed at Capital Children's are actively licensed by the Maryland State Board of Dental Examiners. Additional credentials may be available upon request. Please contact (301) 494-3000 for further information.

**Anesthesia Providers:** All medical anesthesia providers privileged and credentialed at Capital Children's are actively licensed by the Maryland Medical Board. Additional credentials may be available upon request. Please contact (301) 494-3000 for further information.

### **Normal Hours of Operations**

Capital Children's normal hours of operations are 7:00 AM – 4:30 PM, Monday – Friday. Additionally, Capital Children's remains open to accommodate cases requiring late discharge.

### **Physician Ownership**

In accordance with Federal Ambulatory Surgical Center Regulations (42 C.F.R. 416.50(a)(ii)), the following ownership disclosure is hereby made in advance of the date of the procedure: The following Physicians are owners in Capital Children's Healthcare, LLC: Joseph Field, DDS and Robert Scott Dyer, MD. The provider who will be performing your procedure may be an owner. You have the option to be treated at another health care facility.

### **Provisions for After-Hour and Emergency Care**

Emergency care is not provided after hours. In case of a medical emergency, Patient should call 911. For non-emergency after-hours care, Patient may contact their providing doctors at the numbers Patient received prior to discharge or Capital Children's Office Manager at (301) 494-3000.

### **Payment Policies**

Payment for treatment received at Capital Children's must be made on the day of service. When Patient has insurance, Capital Children's will bill Patient's insurance company for covered services. Patient accepts personal financial responsibility for any charges not covered by his/her insurance company. If Patient's outstanding balance is sent to a collections agency, all related fees and court costs will be paid by Patient.

### **Advance Directives**

Patient has the right to formulate an Advance Directive. In accordance with State and Federal law, Capital Children's hereby informs Patient that Capital Children's will honor Advance Directives with the exception of xDo-Not-Resuscitate Orders. Capital Children's shall, upon request, provide Patient with an informational brochure on Advance Directives and options for Advance Directives, in English and/or Spanish. Please contact (301) 494-3000 to request these documents. If Patient should provide his/her Advance Directive to Capital Children's, a copy will be placed on Patient's medical record and transferred with Patient should a hospital transfer be required.
